

Until Every One Comes Home.®

June 1, 2011

To USO Friends and Supporters:

The Rocky Mountain USO is hosting a benefit golf tournament. The tournament will be held on September 26, at the beautiful Lakewood Country Club. Money raised will benefit the Rocky Mountain USO Center at Denver International Airport and at Fort Carson, Colorado. This is our major fundraiser for the year. These funds are used to assist the USO to support over 30,000 guests a month in both of our Centers..

We are asking for your generous donation of goods and services for our silent auction, or financial sponsorship of the Golf Tournament. Please help by making a donation to support our troops. You can also help by signing up to be a Hole Sponsor or by reserving a spot to play in the tournament.

To make a donation or for more information on how you can help, please contact Bonnie Steenbergen at 303 470-1187, Bruce Thoms at 303 670-1793, or Hedy Margolis, Center Manager at 303-342-6876.

On behalf of the Rocky Mountain USO, thank you for your much needed and generous donation to this worth while cause.

Best Regards,

Hedy Margolis, Bonnie A. Steenbergen and Bruce Thoms
Event Co-Chairpersons
